November 2, 2009

Lynn Herrell, Principal

Ben Ausman, Assistant Principal

Dear Families,

We will have the first of two student led conferences here at school. This is your opportunity to celebrate learning for first quarter. If you haven't already please be sure to sign up for your student led conference with your child's teacher. You will also be able to visit the book fair in the library during student led conferences.

We hope you can join us for our Hoedown Celebration. This is a fun family event that everyone enjoys. This year we will be having a live auction along with great food and activities for the entire family. Hope to see you there on the 13th.

Thank you for your support!
