Scott Cook
Assistant Principal

Dear Families,

We are off to a great start! The teachers have been reviewing all procedures and assessing students to ensure academic success. Thank you to all our families who are following our new arrival and dismissal procedures. Our student drop-off/pick-up area is busier than normal, and we appreciate your continued patience.

We use School Messenger to communicate information to our families. If you have not subscribed to this communication service, you can do so through our school website. If you do not already have a Focus account, please create one as soon as possible. Focus is where you enter important emergency information, consent for your child to receive school clinic services, look up student grades/report cards and more. Information to create a Focus account can also be found on our school website.

Fall Picture Day is coming up on Tuesday, September 27th. All students need to be in uniform for this picture day. Picture order forms will be sent home, as we get closer to this date. Please send your students to school with their best smiles for picture day!

Remember if you are signing your child out early you will need to show government issued identification at the door camera for early dismissal. Students may not be signed out during the last 30 minutes of the school day, if it is necessary to have them dismissed early, please come to school before 1:40 p.m. We will not be signing students out during recess as students are not able to enter the building by themselves.

Thank you for your support!

Orientation

Monday, Sept. 25th
Yom Kippur – No School

Tuesday, Sept. 27th
Fall Pictures

Volunteers are the heart of our school. We appreciate the time and dedication that our volunteers give to our school every day. All our volunteers attend orientation each school year before they can help at school. If you are interested in volunteering in the classroom by helping students with reading/math, assisting teachers, shelving books in the library, or working/organizing special events then you will want to attend one of our volunteer orientations going on this month. The first one is scheduled for Thursday, September 7th at 8:30 a.m. If you cannot make that one, we will be having another one on Tuesday, September 19th at 9 a.m. Please be sure to come to the school at least 15 minutes before the orientation with your government issued photo identification so we can sign you in.
